Company Profile

Description

: PT Tani Pangandaran Maju Sarerea was established in Pangandaran on 7 November 2022, by the Decree of the Minister of Law and Human Rights of the Republic of Indonesia Number AHU-0077534.AH.0101 TAHUN 2022. We have been doing the coffee buying and selling business since 2018, starting with a small-scale business with the trademark Kopi Tani Pangandaran at that time. Now, along with the increase in business volume in 2022, we have decided to increase the scale of our small business to become a limited liability company under the name PT. Tani Pangandaran Maju Sarerea. VISION : To become a leading coffee company that works with the belief in the sustainability of natural services, prosperity in togetherness, and a reliable partner, trusted by farmers and other coffee activists throughout the country. MISSION : ? Uphold the sustainability of nature's services, fair trade, and mutually beneficial cooperation with coffee farmers and other coffee entrepreneur. ? Provide a wide range of grade coffee beans starting from high-quality coffee beans to coffee beans for mass production. ? Collaborate with customers to make plans that ensure and guarantee the availability of coffee stocks in our warehouse when customers need them. ? Establishing sustainable relationships with coffee farmers throughout the country to help them increase coffee production for mutual prosperity. ? Carrying out sustainable coffee education activities with coffee farmers, especially the rural youth. SUPERIORITY: ? The products we sell are quality coffee beans obtained fairly and sustainably from our partner farmers throughout Indonesia apart from our coffee plantations. ? The coffee products that we sell come from organic agricultural lands which guarantees the continuity of nature's services and guarantees delicious taste. ? Provide various types of coffee with a unique and distinctive tastes. ? Guarantee the availability of quality coffee stocks on an ongoing basis to customers. ? Our products can be accepted by all market segments without exception. We ship coffee bean orders to customers all over the world. ? Having a professional work team, fast and precise in handling every customer order. ? Our coffee bean products have been widely used by large coffee roasters, coffee shops, and packaged coffee factories throughout Indonesia. ? We regularly export coffee beans to Japan and currently there are many customers from various countries who want to cooperate in our coffee business. PRODUCT We provide a variety of coffee products with a unique and tasty from two types of coffee; Robusta and Arabica.
