Company Profile

Description

: Introducing CocoRiki, the leading factories in the coconut charcoal industry. Established in 2018, CocoRiki has quickly become one of the fastest-growing factories, renowned for its exceptional quality and environmental sustainability. At CocoRiki, we take pride in producing our charcoal briquettes from 100% natural coconut shells carefully selected from the best farmers. This commitment to using premium raw materials ensures that our products are not only eco-friendly but also free from any harmful chemicals. What sets CocoRiki apart is our briquettes' outstanding burning resistance, lasting up to 3 times longer than traditional options. Say goodbye to sparks and unpleasant odors while enjoying a fantastic grilling experience. But that's not all. With our recent expansion, CocoRiki now boasts two state-of-the-art factories and five spacious warehouses to meet growing demands. Our dedicated team of over 100 highly skilled staff members, alongside 600 expertly trained workers, strive to maintain our exceptional standards in the coconut charcoal industry. To keep up with market expansion and cater to the needs of our valued customers, we have set an ambitious target of producing 100 tons of coconut charcoal briquettes per day. This demonstrates our commitment to meeting the increasing demands of the market. Furthermore, we have significantly expanded our packing area, guaranteeing efficient operations to deliver our high-quality products directly to your doorstep. Experience the CocoRiki difference for yourself. Our multilayer quality control process, covering every step from raw material selection to production, post-oven inspections, and packing, ensures that you receive only the best. Elevate your grilling experience with CocoRiki - consistent, flavorful, and environmentally conscious.
