Company Profile

Description	: This company which operates in the fields of construction, chemistry, pest control and pest control (Pest Control) has been famous since 1990 with products spread internationally so that it is known to people all over the world, especially in chemical products. Initially, the Company was given the opportunity to become a Pest Control and Sub Con for a large project held by PT. Intiland Development Tbk was previously named Dharmala Group, H.M Sampoerna, and many more. Currently, there has been a multinational development in the Eastern Indonesia Region including East Java, NTT, NTB, Kalimantan, Sulawesi and Papua for local chemical products and Super Klin brand Cleaner tiles for part of the domestic market in Indonesia. Apart from that, the company has been trusted by the Aquatrex brand Sanitaryware to be a national project distributor with major specialization for government projects and to meet the needs of state-owned enterprises. It has decades of experience in collaborating and serving the community in the individual, corporate and government sectors. We have also developed a marketing team that has excellent experience in serving the needs of large building projects such as hotels, shopping centers and other public facilities. So far we have collaborated with large contractors such as PT. Wijaya Karya, PT. PP (Persero) Tbk, PT. Waskita Karya (Persero), PT. Adhi Karya (Persero) Tbk, PT. Hutama Karya (Persero), PT. Tata Mulia Nusantara Indah, and many other contractors. We do our best to ensure projects have access to a variety of building material products that meet their needs at competitive prices.
