BANTEN - INDONESIA

Company Profile

Description	: PT Noohra Sinar Indotama is a new innovation of CV Indonesian Originals which was established in 1969, after the passing of our parent, we continue to manufacture and trade this remarkable handicrafts (home decor) and handbags made out of Macrame, which is from 'Cotton-Cord' where usually used it for a sail boat, strong material yet gentle for hands, sometime we combine with Nylon, rattan/pandan, leathers and threads up to date with millennial trends combined with our culture heritage designs. Design is all about community, especially women. Without them, design wouldn't exist. Design is about understanding the needs of these communities and innovating to fulfill those needs. Design is about combining knowledge of science and beauty of art to achieve something new beyond the boundaries. Noohra took this statement to convince ourselves to always innovate in designing.
