Company Profile

Description	: Batik Fosfor is a unique and innovative masterpiece! Crafted by skilled local artisans, each piece reflects the authentic beauty of Indonesian culture. The highlight of Batik Fosfor lies in its ability to glow in the dark after exposure to UV light. Its captivating phosphorescent glow makes it the perfect choice for standing out at evening events or in dimly lit spaces. Moreover, Batik Fosfor is made using high-quality local resources, prioritizing sustainability and supporting the creative economy of Indonesia. By choosing Batik Fosfor, you're not only owning a one-of-a-kind fashion piece but also helping to preserve cultural heritage and empower local artisans. Wear Batik Fosfor and shine with Indonesian culture!
