Company Profile

Description	: At Pellet Core, we are dedicated to transforming the pellet industry through digital innovation and sustainability. As a green tech company, we offer traceability solutions that ensure transparency from forest to factory, empowering businesses to make informed choices while supporting environmental responsibility. We believe in making a positive impact on the planet. Our wood pellets are sourced from responsibly managed forests, ensuring that we contribute to reducing deforestation and promoting reforestation. We aim to reduce dependence on non-renewable energy sources by providing an alternative that lowers carbon emissions and helps fight climate change.
