Company Profile

Description	: Amsa Sukses Group is a leading trading company and exporter specializing in hardwood charcoal products and a wide range of high-quality Indonesian natural products, including Oleo Pine Resin, Copal Rubber, Turpentine, Gum Rosin, Alpha Pinene, Cineol, Pine Oil, and Terpeneol. We source all our raw materials legally from sustainable forest gardens outside Indonesia's protected forest areas, in close collaboration with local communities. Our commitment to environmental responsibility ensures that we only use eco-friendly processes in the sourcing and production of our products. The company sources raw materials from across Indonesia, with warehouses strategically located for efficient cleaning, processing, and quality control. Headquartered in Jember City, Indonesia, with a factory located in Blangkejeren, Aceh, we emphasize quality, timely delivery, and commitment to customer satisfaction. We pride ourselves on understanding the specific needs of our clients, offering premium quality products at competitive prices. As one of the most trusted manufacturers in Indonesia, we continuously strive to deliver the best value to our customers. Drawing from the abundant natural resources of Indonesia's forests, Amsa Sukses Group has been serving a wide range of clients both domestically and internationally. Through our operations, we aim to improve the livelihoods of local farmers while promoting sustainable forest management practices.
