

JATI MAKMUR,CV
55 Raya Bukir Street, Pasuruan,
EAST JAVA - INDONESIA

Company Profile

Description	: Founded in 1988, Jati Makmur is a Woodworking company based in Pasuruan, East Java - INDONESIA. Over the past 35 years, we have focused extensively on developing our research and development, management, processing, logistics, and distribution capabilities to achieve a competitive edge over our competitors. We have developed a strong business and operating model, enabling us to continuously expand our processing capacity and maintain sustainability in our production. Our strong experience has helped us gain success and grow steadily amid the changing business environment. Our factory is located in Indonesia, home of Asia's largest rain forest. All of our products are from Indonesia's Forest, managed under certified sustainable forest management and Indonesian selective cutting and planting system.
