Company Profile

Description	: PT Alam Utama Borneo is the legal entity behind the "Kalara Borneo" brand. Kalara Borneo is a brand from a social enterprise focused on processing non-timber forest products from the Borneo island into high-quality goods. Kalara Borneo works directly with local indigenous people and farmers to develop the potential of non-timber forest products from the tropical rainforests and peat swamp forests in West Borneo. Kalara Borneo's presence is intended to serve as a platform for creating value-added downstream products within the upstream-downstream supply chain. Kalara Borneo has launched several authentic products that allow consumers to explore the exotic flavours of Borneo, Indonesia. For example, include products made from cacao beans and maram fruit, which are endemic fruits of Kalimantan.
