| Description           | : Malva ReThreaded is a sustainable brand from East Java, Indonesia, established in 2024. We create handmade bags, lifestyle products, and home accessories using 100% recycled textile waste yarn. Our production process transforms textile waste into recycled fiber and yarn, which is then handcrafted into functional and timeless products by local women artisans. We offer ready-to-wear collections as well as custom orders and OEM/private label solutions for brands, corporate gifts, events, and bulk orders. |
| Business Type         | : Exporter                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
| Main Product          | : Eco-friendly fashions and home decor made from recycled textile waste                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
