Company Profile

| | |
|-----------------------|---|
| Description | : Tococo Indonesia is an Indonesian healthy snack company that focuses on coconut-based innovation, utilizing Indonesia's abundant coconut resources to create high-quality, better-for-you products. The company owns two main brands: Tococo Chips and Alcoco. Tococo Chips is a baked coconut snack made from real coconut, offering a light and crunchy texture with minimal oil and clean ingredients, making it a healthier alternative to conventional snacks. Meanwhile, Alcoco serves as a broader platform for coconut-based innovations, developing a variety of products that highlight the versatility of coconut. In addition, Tococo Indonesia also explores and develops other coconut-derived products, such as coconut-based snacks, ingredients, and potential functional or lifestyle products, aiming to maximize the value of coconut across different markets and consumer needs. Beyond its product portfolio, the company carries a social mission by supporting local coconut farmers and contributing to regional economic growth, especially in its production base in Banyumas, Central Java. Overall, Tococo Indonesia positions itself as a coconut-based innovation company with strong local roots and global market potential, delivering natural, sustainable, and value-added coconut products to a wider market. |
