EAST JAVA - INDONESIA

Company Profile

Description	:	Established in 2013, CV. Adipati Jaya Abadi is a Manufacturer, Supplier, and General Trading company specializing in Indonesian food and beverage products for both domestic and international markets. With years of experience in international trade, the company is committed to delivering high-quality Indonesian products that meet global market standards. Our business focuses on sourcing, manufacturing, and supplying a wide range of food and beverage products with consistency, reliability, and professional service. Our main products include premium Indonesian coffee, porang-based rice and noodles, snacks, light meals, and various other food and beverage products made from selected Indonesian ingredients. We continuously maintain product quality through strict selection processes and strong partnerships with trusted producers and suppliers. Driven by innovation and customer satisfaction, we aim to introduce the authentic taste and richness of Indonesian products to the world while building long-term business relationships based on trust, integrity, and professionalism. As a growing global trading company, we are dedicated to expanding Indonesian products into international markets and becoming a trusted partner for buyers worldwide. Vision To become a trusted global company in the food and beverage industry by delivering high-quality Indonesian products to domestic and international markets. Mission To deliver excellent service and sustainable business growth. To provide high-quality food and beverage products that meet international standards. To build long-term partnerships based on trust, professionalism, and integrity. To promote Indonesian local products in the global market. To continuously innovate in order to meet market trends and customer needs.
