Company Profile

Description	: PT. Anugerah Berkah Industri (ABERI) Founded in 2016, ABERI has become a trusted manufacturer for leading healthcare companies across Japan, Germany, the USA, Taiwan, and other Asian countries. Our commitment to quality and continuous improvement drives us to produce high-precision healthcare products, including Blood Pressure Measuring Devices (Sphygmomanometers) and medical-grade components crafted from natural and synthetic, irritation-free rubber (Latex-Free). Additionally, we manufacture customized fabric-based items, such as cuffs and zippered pouches, tailored to meet diverse client requirements. At ABERI, we prioritize offering superior quality with competitive pricing, ensuring our clients receive the best value for their investment. We look forward to collaborating on your next project with the same dedication to excellence that defines us.
