Company Profile

Description	: PT MJEthnic Craft Indonesia exists as a pioneer in the field of social entrepreneurship, fully dedicated to advancing & elevating Indonesia's local potential to the global arena. We are proud to promote and distribute a wide range of products made by the nation's children, each creation rich in authentic flavours, high artistic values, & deep cultural stories. Our ultimate vision is to empower women and improve the welfare of local communities across the country. Through every product we market, we not only introduce the beauty & richness of Indonesian culture that stretches from Sabang to Merauke, but also actively open economic opportunities and provide a sustainable positive impact for local craftsmen & producers throughout Indonesia. As a global trading company, PT MJEthnic Craft Indonesia consistently supplies & exports a wide array of environmentally friendly Indonesian speciality products. Our main focus is to distribute the archipelago's signature handicraft & culinary products made from traditional & natural ingredients, reflecting our commitment to business sustainability & authenticity. Through strategic partnerships with local suppliers & manufacturers, we are proud to be able to offer a variety of products made by the nation's children. More than just a transaction, we aim to significantly boost the economy of local artisans & bridge them with buyers in the global market, ensuring that the beauty of cultural heritage is preserved.
